## Fast facts

### Who we are

Grant Thornton Australia is a member firm of Grant Thornton International.

Grant Thornton Australia moved from a federation of five state-based firms to become a single national corporation in 2008. We provide audit, tax and advisory services to privately held businesses and corporate and listed entities.

### Where we are

### How we work

We pride ourselves on having a director-led service for all our clients. We commit to being responsive to our clients' needs and to working with them to achieve the goals and aspirations they have for themselves and their organisations.

Our people are at the centre of this commitment; the development of their existing strengths, as well as the attainment of new areas of expertise, is a permanent focus for us.

Grant Thornton Australia has an International Business Centre (IBC) that provides a gateway to the resources of the Grant Thornton International global

organisation. IBCs are led by experts in international business familiar with the wealth of experience held by partners around the world. They coordinate this expertise to serve clients across borders.
