1. Background

I refer to my appointment as liquidator of the Company on 13 July 2017 and my previous correspondence to creditors including my statutory report to creditors dated 6 October 2017.

The Company is part of a group of companies known as the Members Alliance Group ("MAG"). MAG operated a range of businesses primarily throughout Queensland including, but not limited to, financial services, project marketing, construction and management and letting rights.

The Company was registered on 12 November 2010 and operated from "The Rocket", Level 14, 203 Robina Town Centre Drive, Robina, QLD, 4226. From my review, the Company received sales commissions from the MAG "risk book" business and from related entities. The Company also held one asset, being units in the Prime Securities Income Trust that were transferred from the Company on 30 June 2016.

My investigations have indicated that the Company may have become insolvent on or before the Company transferred its units (c. 4m) in the Prime Securities Income Trust to Image Building Group Pty Ltd (In Liquidation) ("IBG") on 30 June 2016. IBG is a related company to which I am also appointed Liquidator.

The transfer of these units from the Company to IBG may be an insolvent transaction under s588FC of the Corporations Act (Cth) (the "Act") as the Company had no other means to generate income to discharge its liabilities following the transfer. Accordingly, this transaction may be a voidable transaction under s588FE of the Act as an insolvent and uncommercial transaction.

Further investigations are required in relation to this transaction, which will be progressed with IBG.

Any distribution to creditors is limited by the return from the potential voidable transaction. A further update to creditors in this regard will be provided in due course.

2. Conduct of Liquidation

During the period of my appointment I have performed the following:

- Notified relevant stakeholders of the appointment of Liquidators;
- Obtained books and records and electronic servers of the Company;
- Conducted a detailed review into the Personal Property Securities Register ("PPSR");
- Issued notices to the Company's advisors (solicitors and accountants) seeking copies of any Company books and records held as well as copies of their files;
- Undertaken an initial review of the books and records received from the Company's advisors;
- Completed initial investigations into the reasons for the Company's failure and its acts and dealings prior to the winding up;
- Lodged a report pursuant to section 533 of the Corporations Act 2001 (Cth) (the "Act") with the Australian Securities & Investments Commission ("ASIC");
- Received a request from ASIC to lodge a supplementary report pursuant to section 533 of the Act;

- Submitted a funding application to ASIC's Assetless Administration Fund facilitate further investigations to be completed into the Company and for a supplementary report to be completed, as requested;
- Corresponded with unsecured creditors of the Company regarding claims and queries regarding the liquidation; and
- Complied with statutory obligations, such as advertising and lodging of notices/documents with ASIC, lodging Business Activity Statements with the Australian Taxation Office, etc.

3. Outstanding Acts and Dealings

Before I am in a position to finalise this matter, the following tasks will be attended to:

- Undertake a detailed review of the Company's books and records and the records received from the Company's advisors;
- Confirm a definitive date the Company became insolvent and consider any potential insolvent trading action claim;
- Further investigate potential uncommercial transactions and pursue recovery of same;
- Recover any available assets of the Company;
- Obtain further legal advice in relation to the registered security interests lodged by the Company's advisors on the PPSR and the validity of them;
- Consider and initiate any potential voidable transactions or recovery actions available to the Liquidators;
- Complete a supplementary report to ASIC pursuant to section 533, as requested;
- Undertake any further investigations that ASIC might request;
- Finalise investigations in the Company's affairs;
- Subject to the recoverability of any Company property and availability of funds, complete a distribution to creditors of the Company, if required;
- Attend to the statutory reporting obligations of the liquidation;
- Finalise the winding up of the Company; and
- Apply to ASIC to have the Company deregistered.

4. Estimated Completion Date

I anticipate that the liquidation process will continue for a further 12 – 24 months, depending on my investigation findings and any further actions required as a result of them.
