c/o The IAP, Grant Thornton Level 17, 383 Kent Street, Sydney 2000

21st December, 2017

Dear Fishing Business Owners,

A copy of this communication can be found at www.grantthornton.com.au/IAP.

Feedback from industry on the draft Terms of Reference for the basis of the allocation of particular species quota shares in the fisheries outlined above closed on 1 December 2017. The Minister finalised the Terms of Reference after considering the feedback from industry together with issues raised by the Independent Allocation Panel and the Department of Primary Industries (the Department). Thank you to all who provided feedback.

The NSW Department of Primary Industries has updated their website with the finalised Terms of Reference. Please check their website at <https://www.dpi.nsw.gov.au/fishing/commercial/reform/independent-allocation-panel>.

The Minister has decided that a separate Terms of Reference will be required for the Southern Fish Trawl Fishery. Draft Terms of Reference are currently being developed for the Southern Fish Trawl Fishery by the Department in collaboration with the Australian Fisheries Management Authority. When this is completed, DPI will communicate with Fishing Business Owners within the Southern Fish Trawl Fishery to request feedback on the draft Terms of Reference. The Panel will be provided the approved Terms of Reference by the Minister and at that time will arrange additional time to consult with the Fishing Business Owners involved in the Southern Fish Trawl. This is expected to be in February 2018.
