

Risk Manager

Enterprise risk management for NetSuite

Get on top of risk.

“Risk management is about identification and consistent action; the right people using the right tool.”

Alex Gelman, Partner – Technology Advisory and Solutions

Proactively managing risk has never been easier, with Grant Thornton’s Risk Manager SuiteApp built into NetSuite, the world’s leading cloud Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) platform. The Risk Manager SuiteApp extends your NetSuite application into a comprehensive and integrated Enterprise Risk Management system.

Easily register risks, create assessments and controls, users are notified promptly of upcoming tasks and deadlines via dashboards, emails and alerts.

The Risk Manager replaces spreadsheet registers and legacy systems with a cost-effective and user-friendly SuiteApp, which is “Built for NetSuite” certified.
